Summary

Product & Strategic Design Leader with 20+ years driving experience architecture, design governance, and customer-centric strategies for enterprise ecosystems. Proven track record translating complex business models into seamless digital products that scale to 30M+ users. Expert at bridging CX, product, and executive stakeholders to accelerate time-to-market, reduce friction, and increase revenue.

Core Competencies

- **Design & Strategy:** Product Strategy | Heuristic Analysis | Information Architecture | User Research | Wireframing | Prototyping | Usability Testing | Service Design | Design Systems and Governance | Journey Mapping.
- **Leadership & Execution:** Cross-Functional Team Leadership | Agile/SDLC | Friction Audits | Stakeholder Alignment | Design Mentorship.
- **Tools & Artifacts:** Figma Component Libraries | Wireframing & Prototyping | Generative AI for UX (Gemini | Claude Code | Copilot) [See how I use AI in projects.](#)

Relevant Work Experience

- **Own ambiguous problem spaces and solutions end-to-end:** Led strategic design of mobile consumer facing products (from plans to perks to promos) from concept to delivery.
[Case Study: Redesign our core mobile plans architecture from early concept directly through to delivery](#)
- **Conceptualize a new satellite to device experience for Verizon:** Build a solid experience strategy, supported by research, for the beta and production launch - all while figuring out how to translate a broad service into what customers really want.
[Case Study: Create a design strategy and journey map for a new Satellite service](#)
- **Build a solid experience strategy through storytelling, research, and prototyping -** all while figuring out how to translate a service into something customers really want and love.
- **Partner with research, prototype and iterate to influence strategic direction:** Addressed current friction points in our mobile plans, and identified opportunities for future shape of mobile plans that would distinguish Verizon from the competition.
[Case Study: Partner with research teams to influence strategic direction, and turn research into action](#)
- **Incorporate AI into my daily work:** Use agentic and generative AI (Gemini, Claude Code, Copilot, Figma Make) to make work flow better - brief creation, journey mapping, prototyping, research, and more - but keep the human in the lead.

[See examples of how I use AI in projects.](#)

Professional Experience

Verizon Consumer Group (VCG) - Basking Ridge, NJ

Lead design strategist/designer on VCG Design team for Mobile and other digital products.

Principal Experience Designer / Experience Architect (2024 – Present)

- **Strategic Experience Architecture:** Lead end-to-end design strategy for mobile products, turning complex business rules into simple digital journeys for customers.
- **Design System & Process Governance:** Created reusable Figma templates and offer systems to help the team launch new promotions faster.
- **Cross-Functional Alignment & Stakeholder Leadership:** Led collaborative workshops with business, product, and design leaders to solve technical issues and align cross-channel strategies.
- **Mentorship & Practice Development:** Mentored junior and mid-level designers on design skills, system thinking, and presentations - to foster a design-led culture.

Lead Experience Architect / UX Designer (2021 – 2024)

- **Flagship Product Strategy (myPlans):** Redesigned the main "myPlan" offerings to simplify customer choices and encourage higher-value plans. Smoothed out friction and increased conversion for customers adding a line, by clearly indicating the low cost of adding a 3rd line, adding \$8.4M/mo in revenue.
- **Revenue & Margin Optimization:** Managed design updates for complex perk pricing restructures (Apple One, Disney, Netflix/Max), preserving high-margin offerings while migrating legacy users to minimize churn.
- **Market Performance Acceleration:** Led CX updates for connected device plans (tablets and smartwatches), directly contributing to tablet premium plan activations performing 3.3% above forecast.
- **Strategic Research:** Led competitive 'Secret Shopper' audits on competitor upgrade flows, surfacing hidden fees and frictions to inform Verizon senior leadership on strategic positioning.
- **Regulatory Design:** Spearheaded the UX design and cross-platform implementation for FCC-mandated product labels across all mobile and home services.

Senior UX Designer (2016 – 2021)

- Optimized the Learn & Buy sales funnel on Verizon.com, enhancing web and mobile journeys for 32M+ active users.
- Delivered high-fidelity wireframes, interactive prototypes, and user flows in close collaboration with development and brand teams.

Deloitte Touche Tohmatsu - Princeton, NJ

Lead designer/business analyst of internal systems for the largest professional services firm worldwide, used by 15,000 audit and assurance professionals worldwide.

Senior Business Analyst/Designer (2010 – 2016)

- Managed user requirements and experience design for internal software used by 80,000 professionals across 32 countries.

- Facilitated regular usability and UAT sessions with real users to validate core features against technical constraints.

User Experience Designer (2004 – 2010)

- Designed enterprise web/desktop applications, delivering wireframes, process flows, site maps, and UI pattern libraries.
- Wrote comprehensive user guides and support materials to help employees worldwide adopt new software.

Multimedia Specialist (2001 – 2004)

- Developed interactive product demos and visual prototypes to support global software rollouts.

Technical Writer (1995 – 2001)

- Authored user documentation and help guides for desktop applications serving 20,000 global users.

Additional Experience (pre- 2000s)

Instructional Designer - Eduneering

Small, start up tech consulting firm, specializing in regulatory training for energy, food manufacturing and pharma industries. (Owned by UL Solutions today).

- Designed interactive computer-based training modules for Fortune 500 clients in the energy and telecommunications industries.

Editor - Cranbury Publications

- Managed production, design, and writing staff for local newspapers and oversaw the startup of a new publication.
